

ZOONOTIC DISEASES ACTION PACKAGE (ZDAP) COORDINATION MECHANISM

Dr. Elvius Dailami, Director for Disaster and Fire
Management, Ministry of Home Affairs, Indonesia

BACKGROUND

- To implement the ZDAP Global Action Plan, 2015-2020 and the ZDAP Five-Year Targets
- To adopt measured behaviors, policies and/or practices that minimize disease risk and spillover of zoonotic diseases from animals into human populations,
- To achieve ZDAP Objectives and its desired impact
- it is considered crucial to identify a coordination mechanism for the Leading Countries.

ZDAP COUNTRIES

Leading Countries: Indonesia, Vietnam and Senegal

Contributing Countries: Georgia, Finland, Kenya, Sweden, United Kingdom, United States, Yemen, the Netherlands, South Africa, Liberia, Cote d'Ivoire, Bangladesh, Zimbabwe

COORDINATION MECHANISM

- Equal role and responsibility from leading and contributing countries in proposing and leading activities for the implementation of the ZDAP Global Action Plan;
- Co-agreement for the common work of ZDAP;
- The chair of the Leading Countries will rotate annually within the lead countries.
- Support other countries to be the Lead Country and encourage contributions from all ZDAP and GHSA members.
- The membership is open to all GHSA member countries and other related organizations such as technical and development partners on voluntary basis.

ROLE AND FUNCTIONS OF THE CHAIR, CO-CHAIRS AND THE LEADING COUNTRIES

- Chair should provide overall direction and an overview to the Lead Countries in the implementation of the ZDAP Global Action Plan;
- Co-Chairs should provide support in coordinating the ZDAP Global Action Plan;
- Provides overall direction and monitoring to:
 - Coordinate and follow up the implementation of ZDAP Global Action Plan;
 - Regular exchanges throughout the year between the leading and contributing countries, contributing organizations and other partners;
 - Lead country will facilitate and coordinate the sharing of ZDAP information through online fora,;
 - Liaise with and update, on behalf of ZDAP, related action packages

ROLE AND FUNCTIONS OF THE LEAD COUNTRY WORKING GROUP

- Foster and strengthen multi-sectoral collaboration in the implementation of ZDAP activities;
- Attend and participate in the ZDAP Working Groups Joint video/teleconference meetings, at least once every 6 months. Ad-hoc meetings may also be organized, as and when needed;
- The host of the Working Group Joint meetings should be through a rotation among lead countries;
- Manage and coordinate activities with ZDAP Contributing Countries;
- The Working Group Point of Contact of the current chair shall serve as the main communication channel of the ZDAP;

MEETINGS AND CONFERENCES

- **Bi-Annual ZDAP Update Exchanges**
 - Working level discussion of the leading and contributing countries and contributing organizations via email/video/teleconference
 - Brief update on the status of ongoing ZDAP activities
- **ZDAP Annual Meeting**
 - The Annual ZDAP meeting should be organized at a venue alternating between all countries, with possible support from international partners

CONTRIBUTING TO THE GHSA WEBSITE

- Best practices or event from ZDAP member countries should be developed
- The news/reports will be prepared in a digital format to share on the GHSA website (<https://ghsagenda.org>)

ZDAP ONLINE RESOURCES AND NETWORK

- The ZDAP Working Group will explore suitable options for a public or membership-based online system for sharing relevant ZDAP information, tools and resources.
- Suitable content will be sourced from ZDAP leading countries, contributing countries, contributing organizations and other related partners and provided in a suitable format, updated quarterly.

THANK YOU!
