

# GSHA Steering Group

## Response and Preparedness Overview

Mukesh Chawla  
The World Bank

**RESPONSE**

**THE PANDEMIC EMERGENCY FINANCING FACILITY**

█ Domestic Resources   
 █ PEF Resources   
 — Projected Trajectory   
 - - - Revised Trajectory (with PEF)

# Ongoing Pandemic Preparedness Efforts

## INSTRUMENTS

- IDA 18
  - Commitment to help 25 countries strengthen their preparedness capacity
- IDA Crisis Response Window (CRW)
  - Provides expedited financial support in the event of a crisis
- Catastrophe Deferred Drawdown Option (CAT-DDO)
  - Extended to IDA countries, CAT DDOs provide committed contingency funding to be drawn down in the event of a crisis

# Ongoing Pandemic Preparedness Efforts

## OPERATIONS

- East Africa Public Health Laboratory Networking Project
  - US\$ 129 million; operational in Burundi, Kenya, Rwanda, Tanzania and Uganda
- Regional Disease Surveillance Systems Enhancement (REDISSE)
  - US\$347 million; operational in West Africa
- Ebola crisis response and recovery
  - US\$1.62 billion; operational in Guinea, Liberia and Sierra Leone
- Zika Response
  - US\$150 million to countries in the LAC region affected by the Zika virus outbreak
- Global Financing Facility
  - Resources available to strengthen frontline capacity for prevention, early detection, and containment

# Ongoing Pandemic Preparedness Efforts

## NEW INITIATIVES

- Coalition for Epidemics Preparedness Innovations (CEPI)
  - Formally launched at Davos in January 2017, with financial support from Germany, Japan, Norway, Bill & Melinda Gates Foundation, Wellcome Trust
  - WB working to provide a financial facility
  - Upstream linkages through developing vaccine R&D capacity in IDA countries
  - Downstream linkages through PEF financing for purchase of vaccines
- Health Security Financing Assessment Tool (HSFAT)
  - Being developed with support from an Australia-led MDTF
  - Focus on strengthening the financial and institutional sustainability of health security financing
  - Three thematic areas of engagement
    - Understanding financial and institutional landscape of health security
    - Providing technical assistance in financial and institutional capacity building
    - Sub-regional collaboration and coordination to strengthen health security

Thank you
